Accommodation

**Kankari Lodge/similar**

Wherever you go in Tarangire National Park, you'll come across the park's famous and larger-than-life baobab trees and elephants. These are the twin elements that give this park so much personality. There is, of course, so much more. We don't just mean the huge populations of wildebeest, giraffes, hippos, buffaloes, baboons, vervet monkeys and zebras. Or the rugged landscape of rocky hills and rivers, swamps and savannah plains. You also have an excellent chance of seeing lions here – Tarangire is a real lion stronghold – and keep an eye out for leopards and cheetahs as well.

Accommodation **Kankari Lodge/similar**

You're going to be staying with us at Kankari Lodge/similar. It's an excellent base for getting to know the region and getting ready for what comes next.

Tanzania Safaris reveals the world's premier safari destination: the Serengeti and its expansive plains, the largest un-flooded, and unbroken caldera in the world, the Great Wildebeest Migration, and the towering Mount Kilimanjaro. Enjoy lunch next to a hippo-filled watering hole, spot the legendary tree-climbing lion, and watch as massive tusked elephants amble about the Serengeti on a once-in-a-lifetime safari.

Tanzania offers travelers the opportunity to experience firsthand the Maasai culture, amazing animal viewing, and epic ascents up Mount Kilimanjaro, Africa's largest free-standing mountain. Add a few days on the beaches of Zanzibar and you are in for a truly magical African adventure.
