This is the moment you've been waiting for: your Tanzanian safari starts here. You have so much to look forward to and we'll get your trip underway as soon as we give you an introduction to our team and explain what lies ahead.

Enjoy quiet, little Karatu. Its busy main street is a window on urban life in a small provincial town, but it's much quieter just a few blocks away from the main road. Shop, go to the bank or simply walk the streets – all are possible here.

### Tarangire National Park

Baobab trees and elephants will loom large over your visit to Tarangire, but keep an eye out also for lions, wildebeest, giraffes, hippos, buffaloes, baboons, vervet monkeys and zebras.

# Serengeti National Park

Accommodation

**Kon Tiki Serengeti Camp/similar**

You'll never forget the time you spend in the Serengeti. Perhaps it will be the sightings of leopard and cheetah as they show their skills as feared hunters of the plains and valleys. Or that unforgettable moment when an elephant family feeds alongside your vehicle, so close you could almost reach out and touch them. Or the first time you hear a lion roar. Then there are the herds of buffalo, zebra or wildebeest so large that they move as one across your horizon, like a river. All of these experiences are possible in the Serengeti, one of the most beautiful parks in Africa.

Watch as, from above, morning mist rolls up and over the crater rim, and notice how the steep walls suggest a place unlike any other. Down below on the crater floor, explore a lost world preserved in a state of pristine isolation, one that shelters lions and hyenas, elephants and black rhinos, flamingos and golden jackals. There are also forests, hippo-filled lakes, a salt pan and hyena dens, and you'll never lose the sense that you've stumbled into a safari theme park where everything's wild.
