Serengeti National Park

Accommodation
Lahia Tented Lodge

Unesco World Heritage-listed Serengeti National Park will almost certainly be one of the highlights of your safari, and it's the kind of place that very quickly becomes a favorite. That's partly because of the wildlife: this is one of the best places anywhere to see lions, leopards and cheetahs. Although every big cat sighting is special, they're only a part of the story here: there's a good chance you'll also see elephants, zebras, giraffes, wildebeest, buffaloes and spotted hyenas and much more. Many travelers' love affair with the Serengeti is also because of its landscapes: expect vast savannah grasslands, acacia trees and pretty hill country.

Ngorongoro Crater

Accommodation

Nungwi Beach Resort by Turaco

Today you'll visit Ngorongoro Crater, one of the most beautiful natural sights in Africa, a place where you'll experience otherworldly beauty with extraordinary wildlife. Watch as, from above, morning mist rolls up and over the crater rim, and notice how the steep walls suggest a place unlike any other. Down below on the crater floor, explore a lost world preserved in a state of pristine isolation, one that shelters lions and hyenas, elephants and black rhinos, flamingos and golden jackals. There are also forests, hippo-filled lakes, a salt pan and hyena dens, and you'll never lose the sense that you've stumbled into a safari theme park where everything's wild.
