Watch as, from above, morning mist rolls up and over the crater rim, and notice how the steep walls suggest a place unlike any other. Down below on the crater floor, explore a lost world preserved in a state of pristine isolation, one that shelters lions and hyenas, elephants and black rhinos, flamingos and golden jackals. There are also forests, hippo-filled lakes, a salt pan and hyena dens, and you'll never lose the sense that you've stumbled into a safari theme park where everything's wild.
